Knights of Rizal - Diamond Chapter - Jan. 2011

Introduction

Dear Brother Knights of Rizal Diamond Chapter and affiliated chapters in Belgium, Europe and worldwide,

Dear friends of our organization,

THE KOR DIAMOND CHAPTER WISHES TO ALL ITS MEMBERS AND SUPPORTERS:

A VERY HEALTHY, INSPIRATIONAL AND PEACEFUL 2012

SO THAT WE CAN ENJOY A STRONG BROTHERHOOD AND CONTINUE OUR MISSION OF IMPLEMENTING RIZAL'S IDEALS WHERE EVER WE ARE.

A new year is born, new hope is created and new inspiration is giving us the power to look forward into this year. Plans are made for the summer and we are feeling happy already, just thinking about it, although still plenty work has to be done before we can enjoy it.

Now, is also a good moment to stand still a moment and to look back to what we, Knights of Rizal, realized last year.

One year ago, at the same location of the chartering, we could celebrate the 11th birthday of the Diamond Chapter with the dubbing of 3 new knights. On top of that, we proudly could elevate 6 knights to Knight Officer because of their active participation to all Rizal events and their never lasting dedication to the Order and to the ideals of Rizal.

It goes without saying that the Knights were also present during the Philippine Independence Day's celebrations in Brussels as well as in Brugge. (report in our Newsletter no. 27)

Last year was a very special year because of a few remarkable birthdays: not only was it the 150th birthday of national hero, Dr. José Rizal on June 19, at the end of the year, on December 30, it was also 100 year ago that the organization of the Knights started to exist. Both occasions have been celebrated by the Belgian chapters of the Knights of Rizal at the location of

(Continued on page 2)

the Philippine Embassy in Brussel with the much appreciated co-operation of the embassy staff. The day, actually this milestone Rizal year, was closed with a buffet dinner in the company of the ambassador, Mrs. Victoria Bataclan and her husband at the Best Western Hotel. Report of the first event can be found in our Newsletter no. 27 and for the latter, you can read all about it later in this issue.

In springtime and in the fall, traditionally we had our activities, involving a tasteful BBQ followed by an informative Rizal quiz, which can be found on our very own website: www.knightsofrizal.be.

During the last century, Rizal's ideals have been spread and practiced all over the world, and not only by Filipino's, showing the universality of his vision. No wonder there are already more than 10.000 knights worldwide and the number is still growing constantly. With the new technologies we have at our disposal nowadays, like internet, we can easily and freely access the writings of Rizal (cfr www.rizalinfo.net). Many are translated in English/Spanish/Tagalog for a wider spreading over all continents. Just reflect a moment, how Rizal struggled, physically and financially, to have his books published. At that time, not everybody had the opportunity to read his articles and books, either because they were not available to them, or because of the incapability to read. Therefore it is not surprising that one of Rizal's ideals concerned the possibility to learn how to read for everybody. Of course, reading is just the beginning of a wider basic education that everybody should be able to receive, preferably starting at childhood. As Rizal needed sponsors to distribute his ideas, let us help his countrymen to continue to practice his lofty ideals.

Acting accordingly, the Diamond Chapter did not hesitate to response to the appeal from OKOR HQ to become a NINONG TO A SCHOLAR. The money of P 10.000 was handed over by Sir Ronny Felix, during his visit early July 2010, to Sir Reghis Romero II, Acting Supreme Commander. (see Newsletter no. 27, pg 11)

Needless to say that our chapter members are also supporting, in whatever way possible, other organizations with the same goal, like CADATAAN and FRIENDSHIP FOR THE PHILIPPINES.

Let it also be noted that our knight, Sir Peter De Bruyn, wrote his travel story in a book of which the profits will be donated to 2 projects. He will bring his sponsor money himself to the Philippines, during a trip at the end of this year, whereby he will also assist part of the OPERATION SMILE/DENTAL MISSION's combined operation, project coordinated by Sir Geert Verhaegen.

Besides these long term and ongoing projects, sometimes it is necessary to provide assistance after sudden disasters like the destructive typhoon Sendong of last December. Let us all together help by a donation for the victims on Mindanao and parts of the Visayas. The collected amount will be added to the contributions of the Belgian KOR Chapters and send to KOR Headquarters in Manila. It will be used for the reconstruction of the destroyed habitats.

Let us come together at the occasion of the 12th chartering anniversary of our chapter and re-enforce our brotherhood in a rizalian spirit. Temporary program and details on following pages. Some dedicated members confirmed their presence already. Together with you, we will prove that RIZAL IS ALIVE.

The board is looking forward to welcoming you in De Watermeulen, Kruibeke, on January 28th.

Till then !!!

Fraternal greetings,

Sir Paul Verloo, KCR

Lidmaatschap 2012

Beste vrienden Knights,

*Zoals bijna alles duurder wordt, heeft ook OKOR HQ de aan hen verschuldigde bedragen met meer dan de helft verhoogd. Daarom zien we ons genoodzaakt om, na lange tijd, ook ons lidgeld te verhogen. Mogen wij er op rekenen dat je bereid bent om **45 EUR** te willen betalen voor je lidmaatschap van 2012?*

Wij zouden jullie zeer dankbaar zijn mocht de betaling gebeuren voor eind februari op het gekende rekeningnummer: IBAN: BE86 9796 0951 3750 ; BIC: ARSPBE2 op naam van KOR DIAMOND CHAPTER – Venneborglaan 90 – 2100 Deurne.

Namens het bestuur wil ik jullie alvast danken voor de hernieuwing en aan de nieuwe Knights voor een hopelijk blijvend engagement voor onze vereniging!

Dank bij voorbaat voor tijdige betaling.

P.S. Deze uitnodiging geldt uiteraard niet voor diegenen die reeds hebben betaald.

Membership fee 2012

Dear brother Knights,

As almost everything becomes more expensive, also OKOR HQ increased the dues owed to them with more than half. That is why we are forced, after a long time, to increase our membership fee.

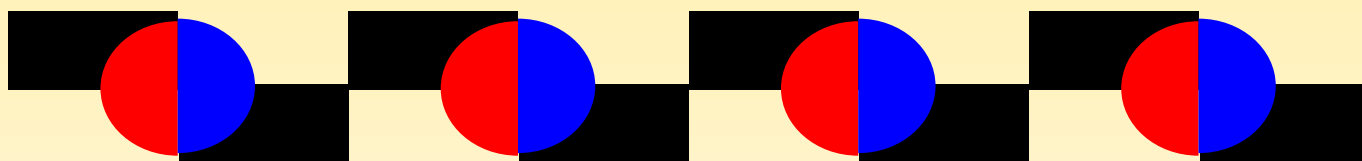

*Can we count on your willingness to contribute **45 Eur** for your membership 2012?*

We would be grateful if you could pay before the end of February to our account no. IBAN: BE86 9796 0951 3750 ; BIC: ARSPBE2 of KOR DIAMOND CHAPTER – Venneborglaan 90 – 2100 Deurne.

In the name of the whole board I want to thank you for renewing your membership and to the new Knights I sincerely hope you engage yourself for a very long time in our chapter.

Thank you in advance for your cooperation in paying the membership fee.

PS Of course for those who paid already, ignore this request.

DECEMBER 30, 2011 – RIZAL DAY

115TH DEATH ANNIVERSARY OF DR. JOSE RIZAL &

100TH ANNIVERSARY ORDER KNIGHTS OF RIZAL WORLDWIDE

BELGIUM – EUROPE

Introduction

The Area Council of the KOR Belgium together with 4 active chapters KOR Aalst, KOR Brussels, KOR Charleroi, KOR Diamond Antwerp and the Kababaihang Rizalista organised in cooperation with the Philippine Embassy after a successful preparation Area Council meeting on Nov. 25, on Dec. 30, 2011 a touching and unforgettable Rizal Day with the commemoration of the 115th death anniversary of Rizal, sandwiched with the celebration of the 100th anniversary of KOR worldwide. It was – headed and coordinated by Area Commander Sir Dominiek Segart, KGOR – an organisation that gave a real Rizal footprint in Belgium where he lived between March 28, 1890 till July 23, 1891, after he moved to Ghent where the famous *El Fili-busterismo* would be printed and published. Rizal Day 2011 in Belgium also was a significant proof of the strength and power of KOR Belgium where at this moment the Rizal spirit is alive and brotherhood between Philippine and Belgian members is deeply appreciated and nourished. Moreover, thanks and with the hands of the Philippine Embassy, headed by newly arrived Ambassador Her Excellency Victoria Bataclan and her devoted staff, we could make from this event something special since we had a wonderful hospitality at the Philippine Embassy and also a cultural program that inspired us with Rizal ideals. A dinner at Best Western finalised the event.

Chapter 1: Ghent and Brussels with wreath-laying at the Rizal markers

Noon time at Henegouwenstraat in Ghent representatives of KOR Belgium honoured Rizal by flower offering. Agricultural Attaché Mr. Jose Laquian and Attaché Ms. Chona Idul represented the Philippine Embassy flanked by our Honorary Consul General Sir Peter Van Bogaert, KGOR, who is also the Special Adviser to the Supremo in Manila. Same ceremony was held at Rue Philippe De Champagne at the Rizal Marker where the Philippine Embassy was present with Ambassador H.E. Victoria Bataclan, assisted by Consul Christina Gracia Rola and Labor Attaché Rustico Dela Fuente.

2.1. PLUMA

It was Ambassador H.E. Victoria Bataclan who gave at the Bulwagan ng mga Pangulo room the almost 80 participants at Rizal Day the floor to introduce themselves. After that Consul Christina Gracia Rola thanked the Ambassador and gave the introduction and welcome to Sir Dominiek Segart, KGOR, Area Commander KOR Belgium. At first we looked to and were deeply touched by the docu-drama-movie "Pluma" focused on the life of Rizal.

2.2. FLOWER OFFERING RIZAL STATUE GARDEN EMBASSY

After almost one hour the flower offering in front of the Rizal statue at the Philippine Embassy garden started. It was Ambassador H.E. Victoria Bataclan flanked by Area Commander Sir Dominiek Segart who started the ceremony followed by the representatives of the different chapters.

was opened at the Hallway at ground floor and the ribbon cutting by Ambassador Bataclan was followed by browsing and enjoying the Rizal paintings. Upstairs, at the Embassy Library and Rizal Room the Ambassador opened the Stamp Exhibit and Paper Money Exhibit Rizal & History of the Philippines prepared by Sir Lucien Spittaël, KGOR and Sir Dominiek Segært, KGOR. The stamp & paper money exhibit was enjoyed by the crowd and inspired some of the KOR to start a Rizal collection.

2.4. RIZAL REMEMBERED

Back at the conference room or Bulwagan ng mga Pangulo Sir Dominiek asked a moment of deep silence for the victims of the typhoon and flooding in the northern region of Mindanao, especially the areas of Cagayan de Oro and Iligan with an invitation to each chapter to help financially the victims. This was followed by the national anthem headed by singer Ianne Jocel and the invocation and prayer lead by Sir Johnny Villa of KOR Brussels. An inspirational word or a number was given by Sir Abeth Arevalo, KCR representing KOR Aalst, Sir Antonito Sienes, KCR of KOR Brussels and a delegation of KOR Brussels who sang Philippine

songs, Sir Paul Verloo, KCR of KOR Diamond Chapter and Lady Nina Fernandez and her representatives of Kababaihang Rizalista who inspired us with an actual vision on the ideals of Rizal by using the letters of RIZAL DAY, which was found very original by the crowd. Ambassador Victoria Bataclan gave her inspirational message and referred to the values of Dr. Rizal and that his values must never be forgotten and be nourished especially by the youth. The program at the Embassy ended by an extraordinary reading by youngsters of excerpts of the work of Rizal or what had inspired Rizal.

2.5. YOUTH PROGRAM

Excerpts from "Mi Ultimo Adios" were read by Ms. Bataclan, daughter of the Ambassador, followed by Ms. Ianne Jocel who read out of "Sa aking mga kababata", parts of "Letter to the Women of Malolos" by Ms. Christine Loreto and Mr. Iannice Loreto, children of Sir Danny & Marylou Berghmans, KOR of KOR Diamond, finalised by "The story of the moth", a story that was during Rizal's childhood told by Rizal's mother and this time read by Ms. Magalie Segart, the 7 year old daughter of Sir Dominiek & Leah Segart-Gallego, KGOR, the Area Commander KOR Belgium.

My Rizal sesquicentennial trip in the Philippines (10th - 30th)

In the current and coming newsletters we will print here a report of Sir Lucien Spittael and his wife Madeline's recent trip to the Philippines where he attended many celebrations for the 150th Birthday of Jose Rizal.

Madeline & Lucien Spittael

Part 3

17th June:

Early in the morning we departed, with members of NHCP (Mrs. E. Almosara) Mrs. Malou Villaroman, Dr. Renato Perdon (author of Rizal books) and Dr. Consolacion R. Alaras for a 7-hour trip to Bayombong, Nueva Vizcaya, for the unveiling of a marker on the tallest Rizal statue. This monument was funded by the Jordanian-born Sir Mahmoud Asfour KCR and his Filipina wife. We all spent the night at Sir. Mahmoud's residence by invitation.

18th June:

After breakfast we were driven to this magnificent 7.3 hectare complex, located in Barangay Casat, with its huge new monument and 16 metre statue of Rizal, surrounded by arches containing busts of other historical Filipino heroes, including one to the 'unsung' and unknown heroes

To my great surprise, I also discovered the grave of a Belgian CICM (Congregation of the Immaculate Heart of Mary, a missionary Belgian Order who arrived in the area in 1907) in the local cathedral who had been Bishop of Bayombong.

We also met my friend the Honorary Consul-General of the Philippines in Belgium, Sir Peter Van Bogaert KGOR.
